## Urgent notice for all Guildmen – due to the success of the Indentured Apprentice Scheme the Honorary Clerk urgently needs more Guildmen to act as 'Masters' to continue this success.

The duties are not onerous - attend the 'inrolment' and 'binding' ceremonies in Guildhall and then generally keep in touch with your Apprentice and encourage him/her to attend Guild functions whenever possible. Most of us keep in contact by e-mail which is quick and easy and the Apprentices are better at it than most of us! **Please let the Honorary Clerk know if you are prepared to act as a Master either by phone, fax, e-mail or letter as soon as possible.**
